Subject: Bridge Demonstration Update

Hello All,

As most of you know, we have been preparing for the demonstration that is now in progress at the Ambassador Bridge. Currently, there are approximately 200 people in attendance in the area of the Bridge. We have officers on scene who are managing the situation. We have moved our Operations to the EOC at WFRS Fire Station #6 at 1587 Provincial Road.

Superintendent Crowley is the OIC, with assist of Inspector Karel Degtraaf. We have others fillings various roles on site, including scribe, logistics and communications. Inspector Marc Murphy is currently in charge of logistics. If you have any questions, concerns or other inquiries re: the demonstration please go through Marc. Inspector Jen Crosby will be assuming logistics duties at 7:00 am

The situation is fluid and may require resources and personnel on short notice. Other less urgent matters may be slowed down or paused as this situation unfolds. You may be called upon at any time for assistance. Please ensure you rest and recharge when you have the opportunity.

The safety of our members and the pubic are our priority.

We will provide a further update tomorrow either via email or meeting. Please let me know if you have any questions or concerns.

Best regards,

Pam
